detailed specifications

summary
Six ink colors and HP's Jetexpress technology results in fast, unattended printing without compromising image quality. The one-inch wide printheads with 512 nozzles per printhead lay down a wider ink swath.

features
- HP-engineered to work as a modular ink system with hp dye ink cartridges
- Unrivalled print speeds thanks to HP Jetexpress technology; nearly one-inch-wide printheads - more than twice the width of hp designjet CP ink systems printheads
- Built-in smart chips monitor printhead operation and alert you when it's time to replace
- The hp 81 dye Printheads last through two to three hp 81 dye ink cartridges, depending on usage
