

Capital Equipment Earnback Program

Here's how it works:

- Purchase equipment from LexJet (see below what qualifies) and receive a 10% rebate in the form of an in-site credit on all LexJet approved purchases.
- There are no initial minimum purchase requirements and no minimum quarterly purchase requirements.
- The rebates will continue for 3 years after the purchase of the printer.

What Equipment Qualifies?

- Canon imagePROGRAF Printers
- Digital Equipment Company Printers
- Epson ProGraphics Printers
- HP Printers HP Designjet 35000 series, 45000 series and Z series printers
- LexJet Laminators
- Seal Laminators
- Other Capital Equipment that might be available for LexJet to sell

Does the equipment have to be leased to qualify for the program?

No, the equipment can be leased or purchased outright. Customers can use their own leasing company or take advantage of using LexJet approved leasing companies.

How do customers receive their rebate?

At the beginning of each quarter, customers participating in this program will receive their rebate via in-site credit.

ceep

The CEEP is a LexJet program designed to provide LexJet customers the opportunity to buy or lease needed printing and finishing equipment and receive rebates to offset the cost of future media purchases. Our customers are guaranteed rebates based on LexJet approved purchases.
