

# User Instructions

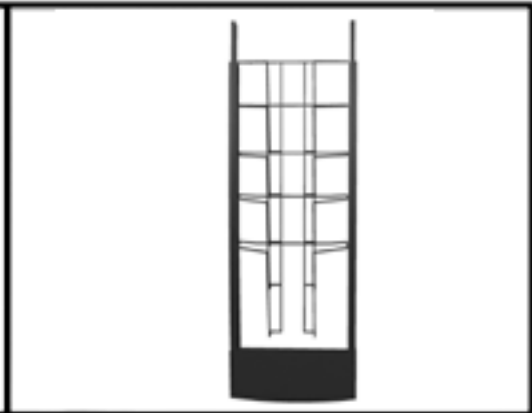

## Innovate

Remove the system from the box.

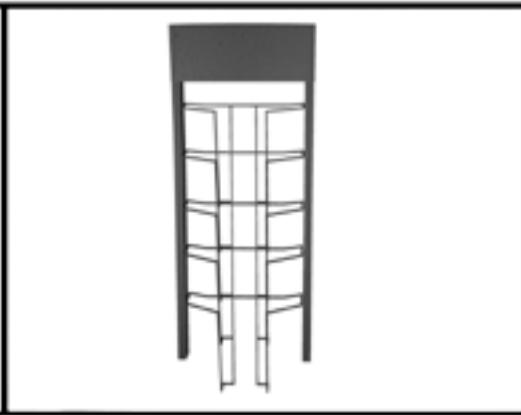

Find the foot of the rack. The foot has no literature pockets.

Find the bottom section of the rack which has the literature pockets ending at the end plate.

Insert the bottom section of the literature rack onto the foot. Make sure the pockets are facing away from the foot.

Find the top section of the rack which has the literature pockets starting from the end cap.

Place the top section of the literature rack onto the bottom section. Make sure the pockets are facing away from the foot.
