EXTRA CARE

Every Ultimat Gold is factory squared and ready for use.

EXTRA CERTAINTY

Each individual machine is subjected to full test cutting of complete mats to ensure accuracy and performance.

EXTRA CONFIDENCE

The final test mat is marked and included with the machine. The serial number of the machine is recorded with the technicians code.

EXTRAORDINARY

Only when all criteria have been satisfied will the cutter be prepared for safe shipping, sealed in heavy duty heatshrink PVC and packed.
