

When you need your message to be read whether they're coming or going

HEYtex 18 oz. Pole Banner double-sided scrim vinyl provides a consistent, opaque, matte surface that will really stand up to the elements.

With a 1000-by-1000 woven denier, this pole banner material's high tensile strength makes it ideal for long-term indoor or outdoor sign and graphic applications, as well as pop-up banner stands, POP displays, and double-sided hanging banners that won't curl over time. Compatible with eco-solvent, solvent, UV, and latex printers.

FEATURES:

- Double-sided 18oz. scrim banner
- Bright-white, matte surface for double-sided printing
- Long-lasting, lay-flat material
- Increased scratch-resistance when printed with latex inks
