

RSC – 820CLS

32" Wide Format Laminator

This 32" Roll Laminator is capable of producing both single sided cold lamination as well as mounting of display images. Enhanced features and functions make laminating easy.

HIGHLIGHTS

- **Easy to Use** Digital controls for speed, foot pedal for hands-free operation, and casters for moving around the work area
- **Fast Adjustments** Quick Notch system for gap adjustment and auto-grip hubs allow quick and easy replacement of roll films
- **9/32" Nip** Permits laminating and mounting on substrates up to 9/32" thick

The RSC-820CLS is a high quality, economically priced cold laminator specifically designed for users to easily and professionally finish wide format graphics. It's compact design makes it ideally suited for graphic shops that have limited space availability. Built for safety and ease of use, this sturdy machine is perfect for laminating and mounting pressure-sensitive graphics up to 32" wide. It has a durable, sturdy frame construction and requires little assembly and minimal maintenance. Backed by 25 years of experience, the RSC-820CLS is a smart option for today's sign shops.

Auto grips to secure film cores to feed and wind up rollers

User friendly controls simplify operation

Cross cutter permits simple cutoff as the laminated material exits the rear
