

Wide Format Laminators

Affordable & Profitable Finishing Solutions!

Royal Sovereign wide format cold roll film laminators are ideal for any Sign or Print Shop. Combine these laminators with a wide format inkjet printer to provide endless finishing solutions. Built for safety and ease of use, these sturdy machines are perfect for laminating and mounting pressure-sensitive graphics. Enhanced features and functions make laminating easier than ever!

Royal Sovereign Advantages

- **Easy to Use** Simple set-up with one button operation. Digital controls for speed, and a foot pedal for hands-free operation
- **Fast Adjustments** Quick Notch system for gap adjustment allows you to change from fully open for webbing to closed for laminating or set to different mounting sizes in seconds
- **Fast Laminating** High quality silicone rollers and durable motor provide for fast finishing
- **Convenient** Rear cross cutter for removing laminated documents as they exit the back
- **Idler Bars** Idler bars add tension and help to eliminate wrinkling while laminating
- **Reliable** All laminators have durable, sturdy frame construction and require little assembly and minimal maintenance

Rear rewind assembly is included on the RSC-1402HW (pictured) and RSC-1402CW 55" models!

Royal Sovereign offers high quality, economically priced cold laminator's with optional heat assist capabilities specifically designed for users to easily and professionally finish wide format graphics such as banners, signs, POP displays, tradeshow graphics, posters, vehicle graphics, and much more. The 55" and 65" laminators offer an optional Front Roll Feeder and Rear Rewind Assembly, automatic roll to roll lamination is made very simple. Backed by over 26 years of experience, a Royal Sovereign laminator is a smart option for today's sign shops. From lamination to mounting you can count on Royal Sovereign laminators to give you years of service and performance.

Auto grips to secure film cores to feed and wind up film rolls

User friendly controls simplify operation

Cross cutter permits simple cutoff as the laminated material exits the rear
