# **HP Matte Polymeric Overlaminate**

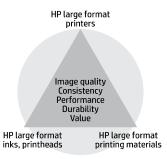

## High-performance polymeric matte overlaminate and print film

# The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

- 1 This product does not contain substances listed as SVHC (155) per Annex XIV of the EU REACH directive published as of June 16, 2014 in concentrations exceeding 0.1%. To determine the status of SVHC in HP products, see the HP REACH Article 33 Declaration published at HP Printing Products and Consumable Supplies. Logo source: Copyright European Chemicals Agency.
- Based on a comparison of HP Latex lnk technology to competitors with leading market share as of December, 2013 and analysis of published MSDS/SDSs and/or internal evaluation. Performance of specific attributes may vary by competitor and ink technology/formulation.

# Produce brilliant image quality—print film doubles as overlaminate

#### Gain double value with prints and overlaminate

Print high-quality, detailed graphics with this premium, calendered vinyl with a matte finish for indoor and outdoor signs and vehicle graphics. HP Matte Polymeric Overlaminate can also double as an overlaminate for printed images with the utmost protection.

#### Differentiate with environmental certifications

Offer a vinyl that complies with high health standards. HP Matte Polymeric Overlaminate is REACH compliant<sup>1</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment.

#### Save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time. Prints produced with HP Latex Inks also provide a better approach with end-to-end environmental sustainability.<sup>2</sup>

Target customers	Applications	Benefits	
Print service providers	Overlaminate solution	Premium polymeric calendered vinyl with dual use: brilliant image quality and an overlaminate for protection	
	Print film solution	Ease of handling with the lay-flat double-sided, PE-coated silicone release liner	
	Indoor and outdoor signage	Provides reassurance with REACH compliance <sup>1</sup>	
	Window graphics	Compatible with Original HP Latex inks, low- solvent inks and solvent-based inks, and UV- curable inks	
	Fleet graphics
