

HP Clear Film

The HP DesignJet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

¹ HP Large Format Media take-back program availability varies. Some recyclable HP papers can be recycled through commonly available recycling programs. Recycling programs may not exist in your area. See HPLFMedia.com/hp/ecosolutions for details.

Give your ideas a photo-realistic finish

Keep your projects on track and demonstrate the quality and professionalism of your work with this optically clear, recyclable¹ film. Produce multiple overlays and transparent images with excellent line quality and consistent, vivid color.

Accomplish more with consistent results every time

Look to this professional-quality film to present your professional best. Produce sharp line quality and consistent, vivid color with a film designed to provide excellent bleed control and strong ink adhesion to prevent ink transfer between overlays.

Keep a brisk pace from one project to the next

Meet your project deadlines. Compatible with a wide range of HP DesignJet printers using both Original HP dye- and pigment-based inks, this optically clear film provides high-quality, consistent image quality print to print and roll to roll.

Print with the environment in mind

Help meet the environmental objectives of your company—and your clients. HP Clear Film is included in the HP Large Format Media take-back program¹, a free and convenient return and recycling program.

Target customers	Applications	Benefits
Architects	Trade show and event displays	Sharp line quality; consistent, vivid color
Engineers	POP and retail displays	Excellent bleed control for sharp images
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	Strong ink adhesion prevents ink transfer between layers
	Architecture (AEC) and engineering (MCAD)	Compatible with both Original HP dye- and pigment-based inks
		Recyclable through the HP Large Format Media take-back program ¹
