

HP Matte Film

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

Give your ideas a photo-realistic finish

Keep track of changes during the review process. This smear-resistant, archival, and recyclable⁽¹⁾ film produces sharp black and color lines and uniform solid areas and is ideal for original and high-volume reproducible drawings.

Accomplish more with consistent results every time

Look to this matte film to help keep you working at your professional best. This film is designed to produce sharp black and color lines and uniform solid areas. Handle and store these smear-resistant, archival prints with confidence.

Keep a brisk pace from one project to the next

Meet your project deadlines. Compatible with a wide range of HP Designjet printers using both Original HP dye- and pigment-based inks, this matte film provides high-quality, consistent image quality print to print and roll to roll.

Print with the environment in mind

Help meet the environmental objectives of your company—and your clients. HP Matte Film is included in the HP Large Format Media take-back program, a free and convenient return and recycling program.

Target customers	Applications	Benefits
Architects	Trade show and event displays	Sharp line quality; consistent, vivid color
Engineers	POP and retail displays	Excellent bleed control for sharp images
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	Strong ink adhesion prevents ink transfer between layers
	Architecture (AEC) and engineering (MCAD)	Compatible with both Original HP dye- and pigment-based inks
		Recyclable through the HP Large Format Media take-back program ¹
