

# HP Durable Backlit Fabric

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## Digital textile printing for soft signage provides attractive new market opportunities

### Find new profit potential with this durable fabric for backlits

Create high-impact displays for retail POP with outstanding image quality when printed with HP Latex Inks. Offer custom work and discover new profit potential with this versatile, lightweight textile for backlit signage. Reduce the potential for accidental damage during finishing, shipping, and installation with this enhanced fabric.

### Reassure your clients with environmental compliance and fire certifications

This recyclable<sup>1</sup> fabric is also REACH compliant.<sup>2</sup> With B1 and NFPA 701 approved fire certifications, this durable backlit fabric can help you and your customers meet high health and safety standards.

### See the ColorPRO Technology difference

See the ColorPRO difference. Produce high-impact graphics with a wide range of colors, precise lines and sharp, fine detail.

<sup>1</sup> HP Large Format Media take-back program availability varies. Recycling programs may not exist in your area. See [hp.com/recycle](http://hp.com/recycle) for details.

<sup>2</sup> This product does not contain substances listed as SVHC (155) per Annex XIV of the EU REACH directive published as of June 16, 2014 in concentrations exceeding 0.1%. To determine the status of SVHC in HP products, see the HP REACH Article 33 declaration published at [HP.Printing.Products.and.Consumable.Supplies](http://HP.Printing.Products.and.Consumable.Supplies).
