

# CatWalk<sup>®</sup> Graphics Media

for safer indoor  
floor applications

*Slip-resistant and  
chemical resistance surface*

CatWalk<sup>®</sup> is perfect for short and medium-term applications such as retail advertising and indoor floor graphics for both dry and wet surfaces including tile, marble, concrete, linoleum, porcelain, and vinyl. CatWalk is waterproof and provides an extremely secure, slip-resistant and chemical resistance surface that is extremely foot friendly. The media consists of a textured, non-slip surface that is coated on the reverse side with a pressure sensitive adhesive.
