

Say Yes with Versatile Printing

SureColor® R-Series Printers

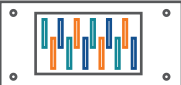

Epson gives your print shop the ability to say “yes” to virtually any customer media request. You name it: Adhesive vinyl, banner, canvas, wallpaper, textiles (interior décor or soft signage), magnetic, wrapping paper, backlit, posters, coated and uncoated... the PrecisionCore Micro TFP Print Head does it all with UltraChrome RS Ink. And that’s just for starters.

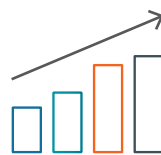

THREE KEY AREAS OF INNOVATION
