

# Drive Productivity Higher

## SureColor® R-Series Printers

Epson helps you drive revenue through a higher rate of productivity. Get higher production print speeds with less banding using Epson's all new Precision Dot microweave technology and new multi-layer halftone. Our PrecisionCore print modes and latest color algorithm deliver high quality, high scratch resistant prints ready for immediate lamination.

### THREE KEY AREAS OF INNOVATION

1

PRECISION DOT TECHNOLOGY

HIGH IMAGE QUALITY AT  
**HIGH**  
PRINT SPEEDS

PRODUCE MORE  
WITHOUT SACRIFICING  
QUALITY

2

ULTRACHROME RS INK

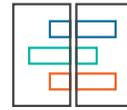

IMMEDIATE  
LAMINATION

GET MORE  
OUT THE DOOR

3

FEED CONSISTENCY
