

HP Recycled Satin Canvas, 3-in Core (Latex/Solvent)

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Produce high-quality canvas wraps that resist cracking

Durable performance with single-step print production

This affordable canvas provides single-step print production, eliminating the need for costly and time-consuming top coating. Produce high-performing, durable canvas wraps that resist edge cracking when stretched.

Outstanding image quality at an affordable price

Achieve an artistic look and feel for photo enlargements, reproductions, and retail and hospitality decor. Produce outstanding image quality and precise colors on this bright white, slightly textured, satin-finish canvas.

Made with recycled water bottles¹ and coating materials

Meet environmental goals with this REACH compliant² canvas made with recycled water bottles¹ and coating materials. Recycling beverage containers (and other materials) saves energy, reduces greenhouse gas emissions, and diverts material from landfills.³ And this canvas is eligible for free return through the HP Large Format Media take-back program.⁴

¹ 100% of total PET resin in the product made from recycled water bottles. The coating does not contain recycled materials. Certified according to Global Recycled Standard (GRS) Version 3.0, March 2017.

² As of the date of this document, this product does not contain any of the chemicals on the EU's Candidate List for Authorization (otherwise known as Substances of Very High Concern) in concentrations exceeding 0.1%. To determine the status of SVHC in HP products, see the HP REACH Article 33 Declaration published at HP.Printing.Products.and.Consumable.Supplies.

³ According to "A Report on the Potential Recovery of Beverage Containers at Venues and Events" published on EPA website epa.gov/sites/production/files/2013-07/documents/napcorvenuerecycling.pdf.

⁴ HP Large Format Media take-back program availability varies. Programs may not exist in your area. See HPLFMedia.com/hp/ecosolutions for details.

Target customers	Applications	Benefits
Retail	Art reproductions	Resistant to edge cracking, single-step, easy-to-wrap canvas; no top coating needed
Professional photographers	Photo enlargements	Canvas made with recycled water bottles ¹ and coating materials
Art reproduction houses	Gallery wraps	REACH compliant ²
Graphics-oriented print service providers	Retail decor	Vivid, true colors and sharp detail on an affordable canvas
Print service providers		Slightly textured satin canvas for an artistic look and feel
		Instant dry
		Eligible for return through the HP Large Format Media take-back program ⁴
