CHROMALUXE APPROVED INKS

This document provides official notification that the inks listed below have passed ChromaLuxe/Unisub EXT testing* and have been approved for warranty:

- Durst 6-Color Sublimation Inks for Rhotex Series
- Epson UltraChrome DS 4-Color Inks
- Mimaki SB411
- Roland Texart SBL3 Dye Sublimation Inks (4-Color and 8-Color)
- Sawgrass Sublijet-HD Dual CMYK (4-Color) and Sublijet-HD Pro Photo XF (8-Color) for VJ628

With this approval, ChromaLuxe provides the following warranty for ChromaLuxe EXT prints using the inks noted above:

- Two years outdoors use for photography
- Three years outdoor use for signage

**Testing based on images mounted vertically, south facing, south Florida.*
