Repositionable Adhesive Mount

Mounting Blocks have custom liners for clear indication on permanent and repositionable sides.

- Panel Side = permanent hold | Wall Side = repositionable
- Mounting block holds 0.5 lbs. per sq. in. One 2" sq. = 2 lbs.
- Can be repositioned multiple times
- Apply to dry, clean surface for best results

To adhere mount to panel, remove Panel Side liner and place in center of tile.

To display, remove Wall Side liner and place on wall.

A collection of seven hexagonal photo tiles mounted on a dark blue wall. The tiles feature various photographs: a man carrying a child in a backpack, a family walking a dog, a woman carrying a child, a woman walking a child on a pier, a couple sitting on a bench, a couple kissing, and a couple embracing. A potted plant is visible on the right side of the wall.
