

Be ready for anything with EFI's ESP

EFI™ offers a comprehensive line of response-based ESP agreements for our full line of VUTEk®, Matan and Quantum superwide-format printers. Choose the level of service and options that matches your business and anticipated maintenance needs.

Our basic-level program covers

- Essential-level service, providing three-business-day response
- Operator certification or customer self-service training at an EFI facility is included for select models*
- Field service engineer labor and travel for repairs
- Non-consumable parts
- All printer software and hardware updates
- Annual printhead exchanges**
- Priority technical phone support
- Your Fiery® XF and/or Fiery proServer digital front end***:
 - All Fiery XF software updates and upgrades, as well as telephone and email support during business hours with targeted response and resolutions times
 - Targeted response times on Fiery proServer hardware escalations, hardware replacement due to failures, and telephone and email support during business hours
- Multi-printer discounts available

Purchase upgrades and peace-of-mind

- Upgrade your response time ESP contract (availability varies geographically):
 - Critical: Providing one-business-day response
 - ProActive: Providing two-business-day response
- Add one or more of our peace-of-mind options to your ESP contract to ensure critical replacement parts are covered if they are needed:
 - Additional printheads at a significant discount; contact your account manager for details
 - Belt replacements (excludes Reggiani PRO models)
- Coverage options for automated media handling equipment, including parts and services needed for any repairs

* Visit the Customer Training section of the inkjet support site for details on training courses and schedule dates.

** See chart on back for printhead exchange details by printer model.

*** Coverage for Fiery proServer is limited to 5 years from original ship date.
