

HP Super Heavyweight Plus Matte Paper

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

Produce professional full-color graphics

See highly saturated images that lie flat, smooth

When the job requires professional full-color graphics and photo-realistic images this heavy, matte-finish paper—with a barrier layer under a thick top coating that enables ripple-free prints—delivers excellent highlights and rich shadow details.

Streamline your workflow

Move quickly and smoothly through post-print processing. Instant-dry, smear-resistant prints—even with high ink densities—enable immediate handling and lamination. Excellent film laminate compatibility helps you keep peak productivity.

Create durable prints for a versatile set of jobs

Produce a wide array of graphics-display applications and print with both Original HP pigment- and dye-based inks. Meet the environmental objectives of your company—and your clients—with this FSC®-certified¹ paper.

Target customers	Applications	Benefits
Print service providers	Trade show and event displays	Highly-saturated, photo-realistic images
Large retailers	Posters and presentations	Bright white, smooth coating for vivid color contrast
Graphic designers	POP and retail displays	Flat, smooth prints even under high ink densities
Ad agencies	Geographic Information Systems (GIS)	Excellent film laminate compatibility
Repro houses	Architecture (AEC)	Instant-dry, smear-resistant prints
Geographic Information Systems (GIS) professionals	Engineering (CAD)	Compatible with both Original HP pigment- and dye-based inks
Architects		FSC®-certified paper ¹

Technical specifications
