

HP Translucent Bond Paper

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

Ideal for day-to-day production

A cost-effective alternative to vellum

Work through more complex drawings and maps with this lightweight, translucent paper designed for reproducible fine-line drawings and check reprints.

Provide clear direction with crisp lines

Present your work in dense blacks and sharp, crisp lines and text. The base makes this paper ideal for reproducible fine-line drawings including diazo and xerographic reprints.

Deliver on time, on budget

Get the results you expect with the first print. HP printing materials are designed together with Original HP inks and your HP DesignJet printer to provide consistent, quality results.

Target customers	Applications	Benefits
Design professionals	Drawings and maps	Crisp black and color line quality
Engineering professionals	Architectural	A cost-effective alternative to vellum
	CAD	Lightweight, translucent paper
	GIS	Ideal for day-to-day production
		Recyclable through commonly available recycling programs ¹
