**Product Information**

For sharp black text from the EPSON Stylus Color 777 printer, choose this genuine EPSON Stylus black ink cartridge, the best value for your home printing projects. Our quick-drying black ink delivers great results on most plain and coated paper and super MicroDot™ printing on EPSON media, all at an affordable price.

Another innovative product from Epson, this ink is engineered to give you the highest resolution and color saturation possible. Epson's printer driver software actually optimizes the amount of ink released onto the page, based on the type of paper you use. As always, EPSON supplies guarantee EPSON quality.

Order cartridges in multiples of four (4). Now with anti-counterfeit, anti-theft seals and packaging.
