HP 81 Dye & HP 83 UV 3-Ink Multipack

overview

Genuine HP 81 Dye and HP 83 UV 3-Ink Multipacks, which include three HP 81 Dye or HP 83 UV ink cartridges of the same color, offer substantial savings and increased productivity to high-volume users. Genuine HP ink supplies are designed together with HP printers and media to provide fast, reliable performance, ease of use and sharp, vibrant results every time. Productivity is improved and the ordering and replacement process for printing supplies is streamlined using HP smart printing technology.

highlights

- Advanced large-format printhead technology, ink cartridge technology and proprietary dye and UV ink formulations ensure consistent print quality.
- Engineered for fast output, precise results and reliable performance every time.
- Bulk-packaged large-format printing solution for cost-effective professional use.
