

## detailed specifications

### summary

Six ink colors and HP's Jetexpress technology combine to help bring unrivalled print speeds and ultimate photo quality to production printing.

### features

- HP-engineered to work as a modular ink system with hp dye printheads
- High-capacity 680 ml ink cartridges are ideal for overnight or unattended production printing
- Six dye-based ink colors produce ultimate photo quality with smooth color transitions and wide color gamuts
- Built-in smart chips monitor ink levels and alert you when it's time to replace
- The hp 81 dye printheads last through two to three hp 81 dye ink cartridges, depending on usage
